

Both Argentines living abroad and foreigners are entitled to issue a power of attorney based on Argentine law at the Argentine Embassy in Vietnam.

While the original of the power of attorney must be kept with the embassy's notarial protocol book, a copy will be awarded to the issuer.

Fee: USD 40 per 25 lines or fraction of a line, which must be paid in USD, applicable both to the original and the copy.

Instructions:

Request an appointment at least two working days before the intended issuance date by writing an e-mail to [consulareviet@mrecic.gov.ar](mailto:consulareviet@mrecic.gov.ar), to which a copy of DNI (if the issuer is an Argentine citizen) or passport (if he/she is foreigner) must be attached. Confirmation of the appointment will be informed by the Embassy within 24 hours.

The following documents must be submitted by the issuer at the embassy:

- 1) DNI, or passport if the issuer is a foreigner, in original.
- 2) Intended text of the power of attorney signed by Argentine lawyer or public notary, in original or scanned copy sent by e-mail.
